CUOS application

We have just handed our **application to the Central Executive Board for Student Organizations (CUOS)** board grant, which provides funding to board members. The grant is allocated based on the board workload as well as the type and amount of activities board members organise each year for the members of the association. We hope that the grant will help support the time and effort board members put into Caerus and also **increases Caerus' credibility as a study association**. We will know whether our application is successful at around February.

But in the meantime we are hopeful!

Policy Manual Update

Following the 2nd GA of last year, it was agreed that some **changes would be made to the policy manual** such as correcting typos but also changing what tasks were attributed to each board position. These changes have finally been made!

You can read the updated version here:

'Zet je schoen' in the SA Room

Sinterklaas has returned to the Netherlands... And, according to the legend, during the three weeks Sinterklaas is in the country, he rides his horse on the rooftop of the houses. In this period, anyone may put a shoe at the chimney. This is called 'je schoen zetten'. During the night, Sinterklaas will put a present in the shoe...

Rumor has it that Sinterklaas might be there to put something in your shoe...

So, if you want a nice present, you can put one of your shoes in the SA room, anywhere from December 1st to December 5th. You can also leave Sinterklaas a drawing, or a carrot for his horse.

And maybe you can come pick up your present December 6th.....

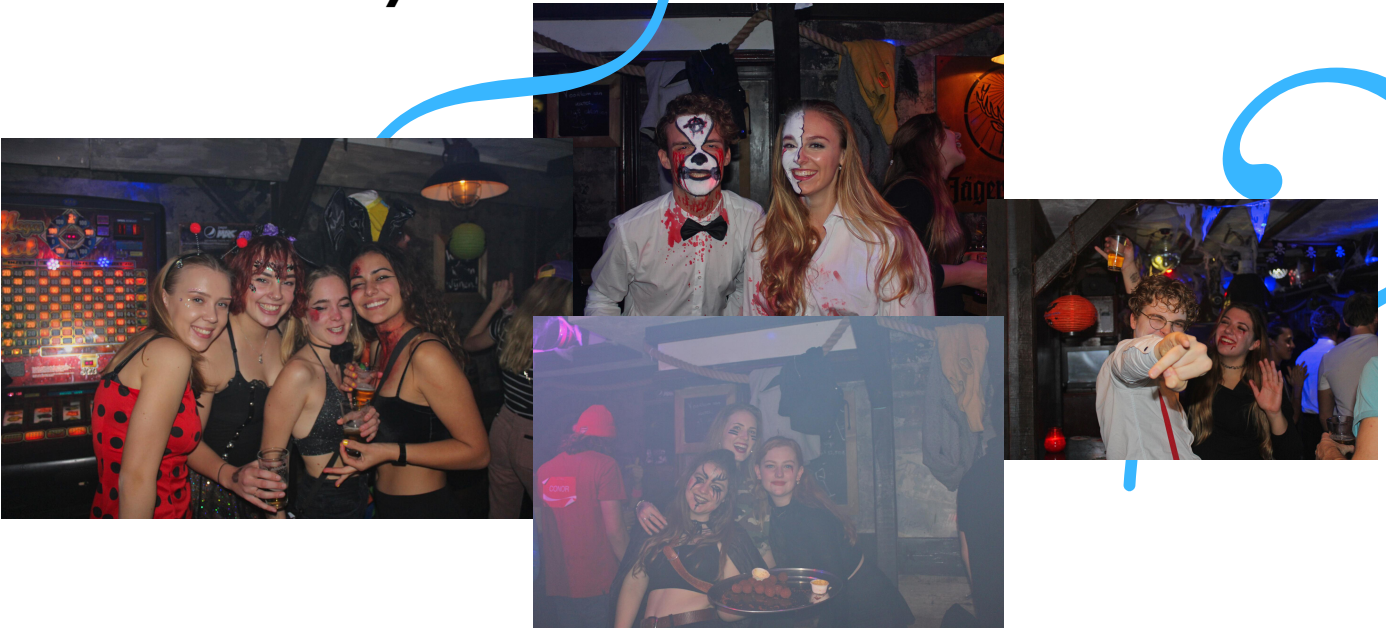

(p.s. please don't put down your smelliest shoe)

Career Month

In May 2020, Caerus is organizing its **first Career Month**. This will be a month filled with career-related events, from **lectures to workshops**, to give you an idea of what you can do after UCG and how to approach your opportunities.

To make sure we **cater to your needs**, we have created a short survey in which you can indicate what you would be **interested in**. It would help us a lot and we want **your voice to be heard**. It will only take a couple of minutes, and you can find the survey here:

<https://forms.gle/Y99hLdzTjUoBwk1X6>.

Your response will be completely anonymous. For any questions or suggestions, send an email to career@caerus-ucg.com.
