Informing you on all the Board has done in the past month to better the community and show that we are not just sitting around during these times. In addition, you can read about other awesome stuff such as committee updates, announcements and upcoming events you can participate in. Sometimes you can also find some external opportunities to make use of!

6TH BOARD - GOODBYE

Dear Caerus members,

What a crazy year it has been... You probably had to read that sentence atop of so many emails this year. We as the Board of your beloved Study Association, Caerus, wanted to recap the interestingly difficult but also very fun year for you, because despite the fact that we were not able to organise physical events during the Corona crisis, Caerus has still made great progress.

This year three new committees were established called FutUra, AmiCaerus & LAS Cast. FutUra focuses on career aspects and personal development, AmiCaerus is all about personal connections and friendship and LAS Cast keeps you up to date with everything that is going on at UCG and within Caerus.

In line with that, AmiCaerus and Civitas collaborated on sending out tulips for Valentine's Day and distributing daffodils for Easter. Besides the Fresh Meal Box events set up by Civitas and Sleeping Lasagnas, UCGO has been organising some Among Us nights and SOC provided our members with a lot of fun with their Crazy 88 events.

Further, Caerus has been highly involved with the University College Student Representatives of the Netherlands (UCSRN) through events such as the Voice of UCSRN and the UCSRN tournament. We have also been maintaining a great relationship with our UCSRN buddy, Study Association Atlantis from University College Twente.

Besides many other aspects, the Caerus Board has been focusing on environmental and sexual awareness. We recently received the Green Office Green Subsidy to create a Caerus Garden and even received the golden Green Label for our association. Also, we are supporting the initiative to create a safer environment and provide adequate sexual education in the next year of Caerus.

The work that normally no one sees is often the hardest, which has been the truth for further professionalising the association. Through modifying the Caerus Privacy Policy, thoroughly editing the Caerus Policy Manual and establishing a Code of Conduct.

On Thursday, the 17th of June we were officially hammered out as the Caerus Board. Now, we wish the coming seventh Caerus Board the best of luck and are super excited about what's to come because we get there together!

What I am actually saying though, is that we would've been nowhere without Zoe, the greatest secretary Caerus will ever have known. Or without Eleni, who kept our money safe this year and brought it to numbers we have never seen before. Julius and Eva, who have made the number of committees grow and created a new and better way to work together. Lastly, Geanne who confidently made pacts with companies and got the association the best partnership possible. Here I, Birgit, am just to front that proudly presents all these amazing people and their hard work.

Thank you, my beloved Caerus Board and as I can now also call you, friends.

With great honour,

Birgit on behalf of the whole 6th Caerus Board

Fourth General Assembly:

On the 17th of July we had our fourth General Assembly. During this GA, we approved a new committee, LAS Cast, and presented the image change and new path for our committee Aeolus. Furthermore, the 6th Board was hammered out and the 7th Board was hammered in. They then also presented their plans for the coming year. The 6th Board wishes them all the best and a lot of fun for their upcoming year!

Pub Quiz

In collaboration with first year-student Aaron, we organised an pubquiz for all current students, staff members and prospective students. It was a very fun evening with some serious quizzing and some less serious chatting afterwards. The event served as great promotion for Caerus!

Caerus Terrace

Directly following the last days of the schoolyear for most Caerus members, the Caerus Board organised a Caerus Terrace Day. The event took place on the upper roof terrace of Cantina Mexicana at the Vismarkt. It was day filled with drinks, chats and laughter! Thanks everyone who was there!

UCSRN**University College Student Representatives
of the Netherlands**

Over the past year, we have had many successful UCSRN events. Tournament, spotlight, voice, penpals and a few more. Due to the pandemic, many of these had to take place online but we are sure that Shanna, the new UCSRN Representative, will be able to fully realise these and more events next academic year but then physically. Stay tuned for the next exciting UCSRN events!

Also, a big thank you to UC Twente and their Study Association Atlantis. We had a great time with you as our buddy and are grateful for all the awesome events we organised together this year. We hope the 7th Board keeps up these connections and continues these fruitful collaborations with UC Twente or another UC!

COMMITTEES

See what our committees have been up to!

International Cooking Week Competition with Atlantis!

Civitas, together with the study association of UC Twente organised the International Cooking Week Competition! A week filled with tasty recipes, beautiful pictures of self-made dishes and a fresh meal box evening to finish it off!

Together we made a butternutsquach roast and had a blast with the people from Atlantis over Google Meets.

Committees, Thank You!

We would like to take this space to thank our committees for the past year. We are proud of the work that the committees have been able to put out this year, despite everything working against them!

We are looking towards a way brighter future but we will not forget the hard work you put into this difficult year.

Lots of love,

The 6th Caerus Board
